SUPPLIER DECLARATION OF CONFORMITY

In accordance with the Electrical Equipment Safety System (EESS) & AS/NZS 4417.1

1. Supplier Details

Company Name:	Smarthome Enterprises Pty Ltd
Responsible Supplier No:	E3838
ABN:	39 603 123 057
Address:	32/7 Dalton Road, Thomastown, VIC 3074, Australia
Phone:	03 8658 4289

2. Product Details

Brand Name:	Sonoff
Product Description:	Matter over WiFi 2-Gang Smart Relay Switch
Model Number:	MINI-2GS
Electrical Rating:	240V / 10A

3. Regulatory Classification

Under the EESS and AS/NZS 4417.2:2020 definitions, this product is classified as:

- **Equipment Class:** Level 1 (Low Risk) In-Scope Electrical Equipment
- **Classification Rationale:** This hardwired, automated relay module does not satisfy all mandatory criteria to be classified as a prescribed Level 3 "Wall Switch" (due to exclusions for non-vertical surface mounting and automatic

Zigbee operation) or a Level 3 "Control or Conditioning Device" (due to not being a portable, plug-in device). Consequently, it defaults to Level 1.

4. Compliance with Electrical Safety Standards

As a Level 1 equipment supplier, we declare that the above-mentioned product is electrically safe and meets the requirements of the relevant Australian/New Zealand safety standards.

The product has been tested to and complies with the following safety standard(s):

Standard: EN IEC 60669-2-1:2022/A11:2022

Test Report Number(s): CTC2025400001

> *Note: The above testing strictly covers 240V electrical safety. A separate ACMA Declaration of Conformity is maintained for EMC and Radiocommunications compliance.*

5. Declaration

I hereby declare that the equipment named above complies with the relevant electrical safety requirements under the EESS. All products supplied under this declaration will be identical to the product identified above. I am authorized to make this declaration on behalf of the company.

Supplier's declaration of conformity

This is the Australian Communications and Media Authority (ACMA) approved form for a declaration of conformity under the following legislative instruments:

- Radiocommunications Equipment (General) Rules 2021
- Radiocommunications Labelling (Electromagnetic Compatibility) Notice 2017.

This is a sample form for a declaration of conformity under the Telecommunications (Labelling Notice for Customer Equipment and Customer Cabling) Instrument 2015.

Instructions for completion

Do not return this form to the ACMA. This completed form must be retained by the supplier as part of the documentation required for the compliance records. However, it must be made available for inspection by the ACMA when requested.

Product details and date of manufacture

Product description – brand name, type, current model, lot, batch or serial number (if available), software/firmware version (if applicable)

Brand: Sonoff
Description: Sonoff Matter over WiFi 2-Gang Smart Relay Switch
Model: MINI-2GS
Date of manufacture or importation of the original/modified item 17/03/2026

Compliance – applicable standards and other supporting documents

Evidence of compliance with applicable standards may be demonstrated by test reports, endorsed/accredited test reports, certification/competent body statements.

Having had regard to these documents, I am satisfied the above-mentioned product complies with the requirements of the relevant ACMA standards made under the *Radiocommunications Act 1992* and/or the *Telecommunications Act 1997*.

List these documents including details of the standard title, number and, if applicable, number of the test report/endorsed test report or certification/competent body statement.

The *Privacy Act 1988* (Cth) (the Privacy Act) imposes obligations on the ACMA in relation to the collection, security, quality, access, use and disclosure of personal information. These obligations are detailed in the Australian Privacy Principles.

The ACMA may only collect personal information if it is reasonably necessary for, or directly related to, one or more of the ACMA's functions or activities.

The purpose of collecting the personal information in this form is to ensure the supplier is identified in the 'declaration of conformity'. If this declaration of conformity is not completed and the requested information is not provided, a compliance label cannot be applied.

Further information on the Privacy Act and the ACMA's privacy policy is available at www.acma.gov.au/privacypolicy. The privacy policy contains details about how you may access personal information about you that is held by the ACMA, and seek the correction of such information. It also explains how you may complain about a breach of the Privacy Act and how we will deal with such a complaint.

Should you have any questions in this regard, please contact the ACMA's privacy contact officer on telephone on 1800 226 667 or by email at privacy@acma.gov.au.
